NIKETAN EXPORT

Export & Manufacture

Specialist in : Jain Shwetamber Digamber & Hindu Temple Marble Work
All Kind Marble Moortis Temple Works.

Prop. & Artists : Punit Sharma

Our Organization has employed highly talented craftsmen and dedicated workmen to ensure effective quality measures have been taken at all stages of production, finishing, polishing and packaging. Every effort is exercised for obtaining total perfection in products to ensure complete satisfaction of the clients. Our designers are skilled personnel and are vastly experienced in their domain. We aim at providing our entire products range of quality goods to the clients at very reasonable prices. Since we do not make any compromise with quality of raw materials used till final finish of products therefore, our products find wide and easy acceptance amongst the clients quite easily. Total attention is focused on quality control so that the entire range of our products outclasses that of others. Interactions with clients for follow up of their views and feedback on the products being supplied to them is done as a matter of business promotion policy. **We have our huge clientele from all across the globe.**

The client's adherence with us for business dealings in continuation is also owing to our ethical business policy of fair trade practice. We stand committed to make delivery on time. The shipment is made both by road and shipping carriers as per client's choice. We also ensure that the packaging is done properly to prevent any deformation due to transit impact or weather conditions. The large business volumes both in the domestic and export markets have been well managed by our sole proprietor, **Mr. Punit Sharma & CEO Mr. Santosh Sharma**, who are well versed with the business activities and possesses excellent entrepreneur skills.

Company Milestones

We are Manufacturer & Exporter of marble idols and statues (All Hindu Moortis & Shwetamber Jain & Digamber), specialized in Temple Projects of Shikhar Bandh Temples or any kind of. **Niketan Export** (Sister Concern of Niketan Moorti Arts) began its journey with a view to propagate Indian art and culture. Today, it is the leading organization in the domain of either Jain Statues i.e. & all sorts of Temple Projects within the country & the Globe as well. The company has executed various assignments successfully to the satisfaction of their customers all around the Globe. Each and every artifact has unmatched in beauty, quality, durability, finish and elegance plaques. The company has executed various assignments successfully to the satisfaction of their customers. Each and every artifact has unmatched in beauty, quality, durability, finish and elegance.

In addition to it we were honored with the Project of "Jain Centre of Greater Phoenix", Arizona, USA. The said project was completed successfully in the year 2008 with auspicious "**Prathista**". The said project was awarded to us by the Former President Mr. Piyush Mehta and we tried & were successful to their expectation in supplying them as per their requisite & even we went for their Installation of Temple and remained there till the completion.

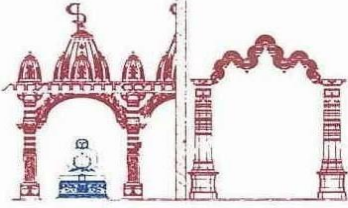

Our running project of "Hanuman Mandir Greater Chicago & also new project running Jain Society Of Houston USA.

Product range

In our endeavor to propagate Indian art and culture throughout the world, we have remained in business of manufacturing and exporting of marble idols and statues of Gods and Goddesses, religious statues, figures and plaques of extremely good quality that has been widely acclaimed.

Our Team and Staff

We are supported by a team of extremely talented craftsmen, qualified and experienced professionals to efficiently manage the affairs at different stages of manufacturing and processing of products offered by us. They have helped us remain ahead of our competitors owing to having provided the entire range of the statues and handicrafts of the highest order. Our deft team of marketing personnel have shown exemplary marketing skills for fetching business from new clients far and wide. The skilled personnel are a competent lot to handle bulk orders without any stress. All assignments are accomplished with high precision and accuracy and thereby proving to be masterpiece examples of their depth of knowledge in their respective fields. All the different works remain closely coordinated and synchronized for optimum productivity and quality.

Our Infrastructure

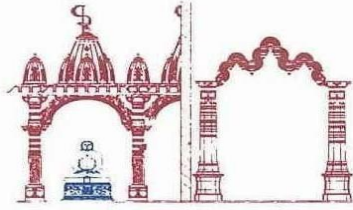

Our organization is located in the urban area of Jaipur and engrosses an advanced sophisticated infrastructure sprawling over a large area which is segregated into various working sections like production unit, quality control, final finishing, packaging and more. The hi-tech machines, equipments and precision tools that are installed enable the workmen to skilfully perform all the processing of the products smoothly. Large spaces provided in each of the sections enables for uninterrupted handling of the different assignments simultaneously and also enabling the workmen to meet the bulk demands without stress. Large storage areas have been provided to keep the finished stocks for client's inspection and approval if desired. The products are dispatched after clear instructions of shipping are received along with proper identifiable markings for distinguishing them after reaching at the end of our valuable customers and Export Standards are being well taken care to matchup the requirements of our beloved customers.

Quality

Owing to our core values, we are paying our utmost attention towards the quality standards of the wide range of intricate and elegant products offered by us. We are a favored choice of clients for the entire vast range of our quality tested products which have high quality parameters and all the desired performance attributes. The cost effectiveness with easy payment modes coupled with quality have been widely appreciated by the clients. We also provide customization of products as per customer's specific requirement. Utilization of modern machinery and techniques take care of optimum quality and extremely fine finish of products in accordance to set standards of industry. Statues are made from single block of marble and the intricate patterns of engraved lines of dresses and facial expressions make a splendid piece of art.

Why Us?

Owing to our fair business practices and professional approach, we have become the preferred choice over our competitors in the domain. **Some of the major factors instrumental in making us the preferred choice of our clients are:**

- Unique masterpieces
- Extensive manufacturing unit
- Designing experts
- Reasonable price range
- Facility of customization
- Client satisfaction policies
- Wide distribution network
